Temple

Die schöne Flexible: Ein Tempel der Gemütlichkeit. Den einladenden Charakter des Modells Temple formen die beiden Stilrichtungen Chesterfield und Capitoné unter dem Einfluss der 60er und 70er Jahre. Die Handschrift dieser Zeit zeigt sich im freien, informellen Lebensstil des Sofas, der sich individuell konfigurieren lässt: Ganz traditionell, gemütlich mit Chaiselongue, als Ecksofa oder freistehende Wohlfühlinsel. Endlose Gestaltungsvielfalt: Komfort-Oase mit unglaublicher Flexibilität. Temple setzt der Fantasie dank enormer Typenvielfalt und Variabilität keine Grenzen. Auch als Einzelelement verschönert Temple jeden Wohnraum.
